VISION

Our vision is to be a world-class manufacturing enterprise employing lean and agile methods that poise us for fast, sustainable growth. We want to be a leading provider of innovative kitchen and bathroom solutions. With brand STEELBULL .

MANAGEMENT/ORGANIZATION:

The Company has a well-organized management structure & also sourcing dedicated team of different business functions – Marketing, Sales, Production, Quality, Purchase, Design, HR, Finance etc.

QUALITY STANDARDS

The Company is following European quality standards in taps manufacturing.

HOW IS STEELBULL P.T.M.T. MANUFACTURED ?

It took years of extensive research, experience and expertise to develop a product that you see today. Many technological innovations, practical application modifications and contemporary aesthetic requirements led to continuous upgradation of the range, so that they are perfect for the modern day needs requirements.

To meet these requirements, STEELBULL P.T.M.T. bath Fittings, Cistern & Seat Cover are produced in one of the most modern manufacturing facility of the country. Using top quality raw material and the state-of-the-art sophisticated fully automated machines, the products come out of our manufacturing facility with a promise to perform Flawlessly for years.

WHY STEELBULL ?

STEELBULL is a fusion of toughness, temperature & stress resistance like metal whereas the light weight, atmospheric immunity and cost effectiveness comes from its polymer origin. STEELBULL has a host of advantages over their metal or plastic counterparts

THE ZERO DROP ADVANTAGE

It's high time that we start respecting water and save every drop of it from wastage. In-fact there is an extreme shortage of potable water around the globe. That's why STEELBULL faucets have been uniquely designed with a Zero Drop feature that means that these dripless faucets do not let even a single drop of precious water from getting wasted, once they are closed.

GREEN TECH !

The P.T.M.T. TAPS and fixture industry has consistently delivered th eco-friendly goods.

The products get more efficient and more durable almost every year,
yet remain remarkably affordable. Every year, Bath Fitting can help us reduce water usages
by about 5% like with STEELBULL fittings.

Quality Certifications

the Company has also sought all major relevant certification is: 9763-2000 & 7231-1994 (BIS-India Standards) for maintaining international Quality & Standards for its manufacturing unit & respective product range.
